

Be Brave

Lyrics: Soka Gakkai Junior Division

Music: Kazuhiro Omura

Be Brave! Never give up!
Burning with a passion strong.
Take a flight into the skies for
tomorrow's peace!
Your smile will be your very
passport into the world.
Spread your wings wide
and fly so high.

**Efforts today,
they will never be wasted.
Your determination
growing day by day.
Crank your engines full of power.
Blast off into space!
Building a new century.
Heart of a lion cub.**

Be brave! Never give up!
Burning with a passion strong.
Take a flight into the skies.
A rainbow of hope!
Life may be tough but you are
made of stronger stuff.
Believe yourself.
Victory calls.

**Efforts today,
they will never be wasted.
Your determination
growing day by day.
Crank your engines full of power.
Blast off into space!
Building a new century.
Heart of a lion cub.**

**Wings of courage soar
the heavens above you.
Joy and your mission
growing day by day.
Crank your engines full of power.
Blast off into space!
Building a new century.
Heart of a lion cub.**

Be brave! Never give up!
Burning with a passion strong.

Be brave! Never give up! Burning
with a passion strong. Yeah!!
