“Nan Guo de Tai Yang”  
(Brilliant Sun of the Tropics)

## Background

“Nan Guo de Tai Yang” was composed to commemorate the 20<sup>th</sup> anniversary of SGM Women’s Division in 2010. The music was composed by our local members, Chew Lee Peng and Ng Min Hwei, while the lyrics was based on guidance from President Ikeda for the Women’s Division over the years and expresses the mentor’s expectation for Women’s Division members to become “suns of happiness”, opening up the path of kosen-rufu in the “Tropical Land of Malaysia”.
