南国的太阳

“Nan Guo de Tai Yang”
(Brilliant Sun of the Tropics)

English translation of the Chinese lyrics

Brilliant and strong as the sun
Elegant and pure as the lily
Forging ahead fearlessly amid stormy weather
The spirit of “never being defeated” is itself victory

Bright smile that warms people’s hearts
Compassionate heart that embraces the universe
Guiding the family to advance harmoniously
Building castles of happiness across the land

Let us align our hearts with our mentor’s
Heart to heart, expanding the network of friendships
Spreading the light of hope to our friends
Dancing heartily along with our mission

Let us embark on the same journey as our mentor
Hand in hand, creating peace
Opening up new horizons for the future
Brilliant sun of the tropics,
Forever shining brilliantly,
Forever shining brilliantly.
